Re: **MB Docket No. 03-15**
Television Station KTMF-DT, Missoula, Montana (Facility Id. No. 4675),
Supplement to Request for Temporary Waiver of July 1, 2006 Interference
Protection Deadline

Dear Ms. Dortch:

On behalf of MMM License LLC (FRN: 0004989133) ("Max Media"), the licensee of television broadcasting station KTMF-DT, Missoula, Montana, we hereby supplement the request for temporary waiver of the July 1, 2006 "use-it-or-lose-it" interference protection deadline, filed on July 7, 2006 on behalf of KTMF-DT in accordance with FCC Public Notice DA 06-1255, released June 14, 2006.

Pursuant to the July 1, 2006 deadline, KTMF-DT was obligated to cover 80% of the population served by the KTMF(TV) 1997 NTSC signal. Construction of fully compliant digital facilities has been completed, and a license to cover (File No. BLCDDT-20060921ABA) was filed with the Commission on September 21, 2006. The Commission granted the license on May 14, 2007. Accordingly, temporary waiver of the July 1, 2006 deadline is no longer necessary, and the above referenced request for waiver may be dismissed.

Respectfully submitted,

Benjamin D. Arden
